**NYIT Athletics**

Over the years, NYIT has forged a rich tradition of excellence in intercollegiate athletics. NYIT's student athletes are intensely dedicated to success both on the field and in the classroom, and prove every day that academic and athletic achievement need not be mutually exclusive.

Under the vision and direction of Director of Athletics Clyde Doughty, Jr., the NYIT athletic department and its 10 NCAA teams – men's and women's soccer, women's volleyball, men's and women's cross country, men's lacrosse, men's and women's basketball, softball and baseball—continues to grow and improve.

The hard work of a talented group of coaches and administrators allows NYIT to maintain a highly competitive athletic program that is a key part of the educational process for all student athletes.
