Dr. Elkowitz received his Doctor of Osteopathic Medicine degree from the New York College of Osteopathic Medicine in 1997. He graduated from Norwich University/Military College of Vermont in 1989 with a Bachelor of Arts in political science and a minor in health studies. He completed a four-year combined residency in anatomic and clinical pathology at North Shore University Hospital in Manhasset, New York, in 2000. He also served as chief resident during the last two years of his residency. Dr. Elkowitz then went on to complete a surgical pathology fellowship at North Shore University Hospital in 2001.

Dr. Elkowitz as an attending pathologist at North Shore University Hospital in Manhasset, New York, also served on the graduate medical education committee. Dr. Elkowitz is currently an attending pathologist and Assistant Professor in the Department of Bio-Medical Science and Director of the Office of Academic Medicine at the New York College of Osteopathic Medicine in Old Westbury, New York. He completed Health Policy Fellowship in 2006. Dr. Elkowitz has served on the Dean's council, admissions committee, and curriculum committee. He is a member of the academic senate, serving as president in 2003-2004. Dr. Elkowitz was awarded Mentor of the Year at the New York College of Osteopathic Medicine in 2004 and was a Finalist for American Osteopathic Association Educator of the Year in 2004. He was awarded Pre-Clinical Professor of the Year and the Standard of Excellence Award at the New York College of Osteopathic Medicine in 2006.
